ABINGTON HIGH SCHOOL

Abington High School
Abington,
Massachusetts

The hours fly by and leave only a trace,
of another day which has come to a close.
The years go by in their usual grace.
The foundation of life still grows. ,

We know now it's time for us to grow older,
you can feel it in your heart.
It's now time for our world to turn colder,
and build the future our way from the start.

With freedom to choose and freedom to live,
every moment of each passing day,
may we live with love and all that life gives.
Keep our chins up and not lose our way.

Sheila Johnson

I suppose that I should wish you success. Instead, I would much rather wish you something that is harder to achieve - meaning in your life. Meaning is not something that comes to us in a haphazard manner. It is something that you build into your life. It is made up of your past, shared experiences, affections and loyalties, and your own talent. Meaning combines the things you believe in and the values for which you are willing to sacrifice. The ingredients are there. You are the only one who can put them together into that unique pattern that will be your life. Let it be a life that has dignity and meaning for you.

Mr. Paul E. Byron
Principal

Mr. Paster -
We will always remember you for
all your friendship and support
throughout our years at A.H.S.
Although some of us have been
trouble to you in the past, we all
wish you the best of luck in the
future.

Mrs. Beaton and Mrs. Powers -
We would like to thank you for
your limitless energy and enthusi-
asm during these, our last years at
A.H.S. From the Prom to Gradu-
ation, your help enabled us to
make our final years successful.

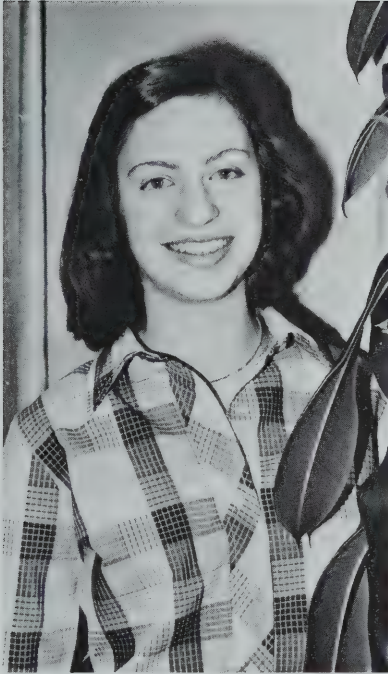

We the editors of the 1979 Green Wave present you with this journal in hopes that it will bring to mind, now and in future years, some of the more memorable times during our years at A.H.S.

We would like to take this opportunity to thank Mr. Stanton for all his advice and support. We would also like to thank all the staffs and their editors for their help in putting this book together.

We would like to wish each member of the senior class all the success and happiness that they deserve.

Good Luck;
Jane Cotter

Seniors

Class

Freshmen

In the fall of '75, we the class of 1979 entered Abington High School for the very first time. As freshmen we began a search for ourselves. To guide us through this trying year we elected as our class officers Tom, Ruth, Patty, and John. We started the year off attempting to show our spirit and enthusiasm by decorating the halls

and the gym for our first rally. As the days progressed we had our share of excitement; fire drills, bomb scares, and a walk-out over scabies. Just before Christmas we ordered our class jackets. Unfortunately we received them in the spring when it was too hot to wear them. We managed to survive the continual hazing by the upper-

classmen and even had some fun of our own at the dances or by just partying on the weekends. By the end of our freshman year we were beginning to discover who we were. But the year was passing quickly; soon we would be sophomores stepping up to the second floor.

Sophomores

Stumbling into our sophomore year we had gained a considerable amount of confidence, while, at the same time, we moved closer to our goal of becoming upper-classmen. Raising money was the top priority on our agenda. To help us accomplish this, we elected Tom, Cathy, Betsey, and John. One of our most successful projects was a car wash held at Burgertime. Our efforts were duly

rewarded as the treasury began to grow. By Thanksgiving we had ordered our class rings. Finally we belonged, and were a definite part of Abington High. The school gained recognition when the band placed first in the Cherry Blossom Parade, and, suddenly, we were celebrities. Our sophomore year was not all peaceful however. In mid-January frequent fights broke out between the so-called

"Jocks" and "Freaks." Luckily most of the issues were soon resolved and peace was restored. In the spring came baseball and track, with the girls' track team undefeated and becoming league champs for the first time. All too soon the year ended, and we eagerly prepared to make the big move up to the third floor; upper-classmen at last!

History

Juniors

Junior year was the beginning of the end of our high school years. Part of the "upper crust", we began the year with a new administration headed by Mr. Byron, and new class officers headed by Cathy and Terry, joined by (who else?) Betsey and John. Our excitement at being upperclassmen and our visions of a carefree year were short-lived as "Lord" Byron quickly showed that he intended to

rule with a dominant hand. Our class settled down somewhat as we worked together at the Christmas Bazaar and paid our dues to help raise money for the prom. As prom time grew near we debated over the theme but when the votes came in we had chosen "Stairway to Heaven". On May 12th we all flocked to Ridders following the Grand March and by the end of the night Debbie Edgren had been se-

lected to reign as Prom Queen. Our weekend had just begun as parties at Danny's, the beach, and Mary Lou's were yet to come. With the thrill of the prom gone, we had only to look forward to the prestige and power we would inherit from the graduating seniors. With this in mind we left school for the summer longing for the day when we would return as seniors.

Seniors

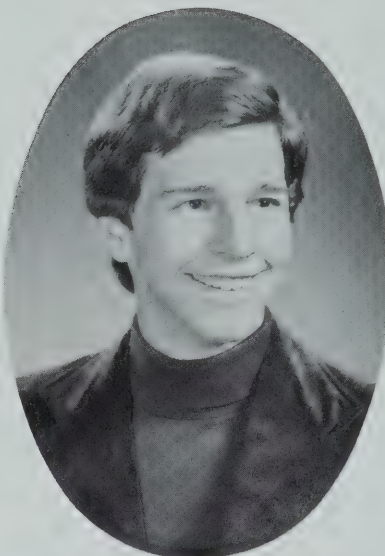

As seniors we became the ruling class, commanding the respect of the underclassmen. We selected as class officers for this, our final year, Cathy, John, Betsey, and Kevin. The year began as a promising one with the varsity football team defeating both Rockland and Hanover. Soon we received our senior class pictures which caused us to realize what

little time was actually left of our years at Abington High. As representatives of our class we chose Janet Lambert as Miss Abington and Maryann Majenski as Miss D.A.R. Most of our senior year was spent filling out applications, forms, visiting guidance, trying to decide in what direction our lives were headed. Any spare time was devoted to the preparation of the

yearbook or planning the senior reception. Our graduation, rapidly approaching, will mark the end of a decade. The 80's will be a changing and challenging time for us, the class of '79. But we will always reserve a special place in our hearts for the teachers and friends who can never be replaced and the experiences we shared that will never be forgotten.

Senior Class Officers

It's difficult to put into words my feelings for the class at the end of our senior year. I feel as if we've become better friends as the years have passed. I consider all of us friends and will sadly miss you.

I have been proud to serve as an officer for three years and as your class president for two.

I am also proud of our other class officers and would like to thank them for their support.

I hope you will fondly keep the memories of our rallies, dances, and parties.

As we leave Abington High School, I hope you will seek your own happiness in life.

God Bless;

ington D.C. In Niagara Falls, Canada the band achieved 1st place honors in the International Blossom Festival Parade in 1978. Also in 1978 they won 1st place in the MICA field show competition in Lowell, Massachusetts.

Sports

Cheerleaders + Rallies

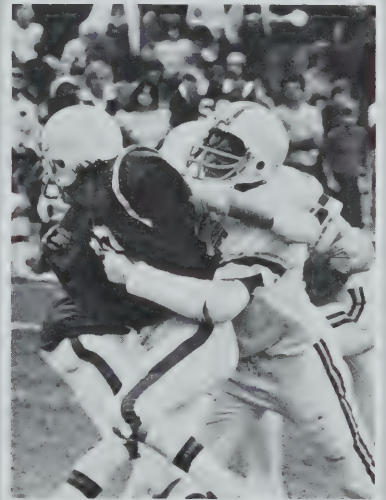

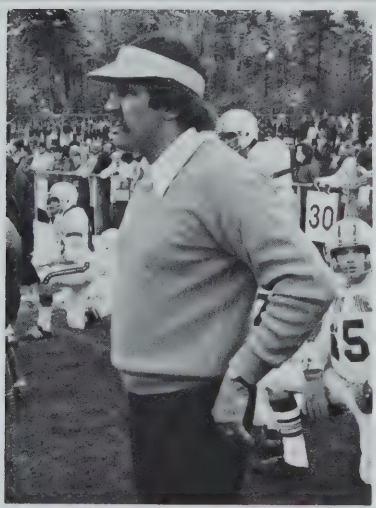

Football

The football team, led by co-captains Jay McGowan and Tom Burke, completed another winning season for Coach Jim Kelliher. Their record was 6 wins and 4 losses, but this is not a true indication of the skill and content of this team. Their defense was one of the most potent in the league and held 5 teams scoreless. With a few breaks this team would have gone a long way.

Soccer

This year's Soccer Team rose to new heights as they recorded the best record ever by a Greenwave team. The team was led by Captain and South Shore League All-Star, John Campbell. Other seniors who contributed to the team's success were: Nick Molinari, Kevin Hall, Bob Gibson, Jeff Lindahl, Tom Bethaney, John Kaupinen, Ron Howe, Shawn Murray, and Mike Corcoran.

Field Hockey

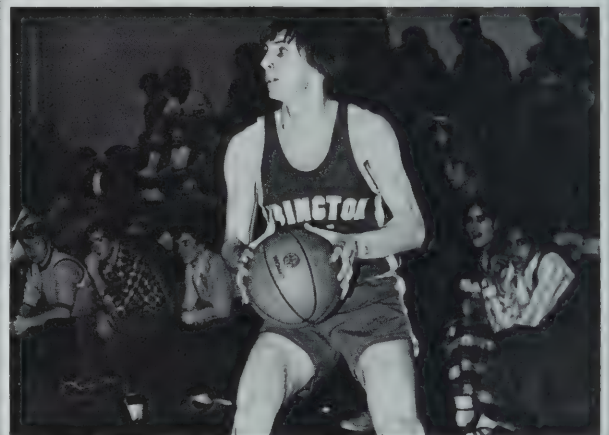

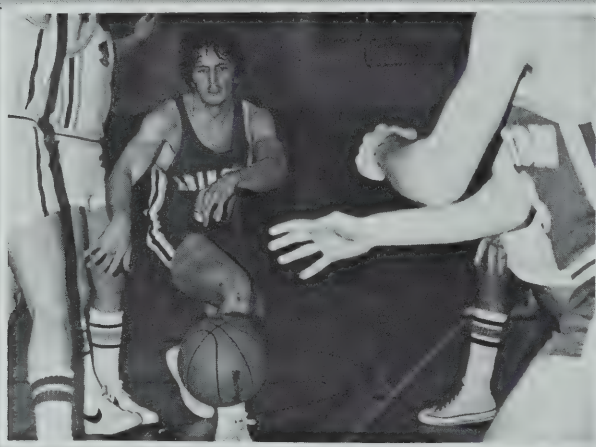

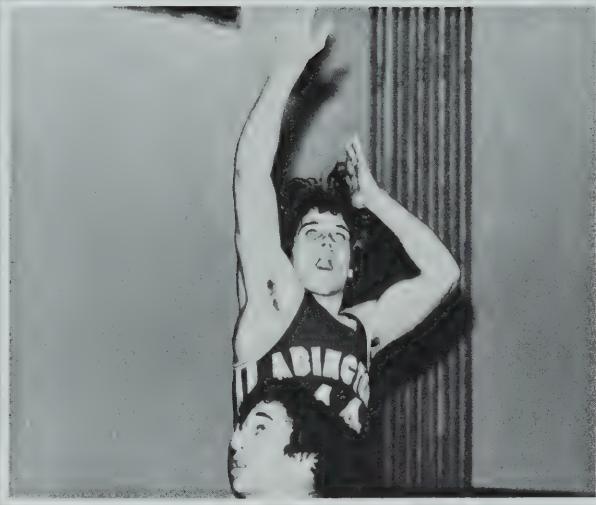

This year the Abington Field Hockey team posted another winning season and also qualified for post-season tournament play. Coach Karen McDonald took advantage of returning letterwomen and put together a highly talented, competitive team. The team was paced by seniors Patrice Fay, Donna Dorr, Kim Doughty, Sharon Donovan, Donna Leach, Lianne Cody, Marie Frazier, and Adele De Yulus.

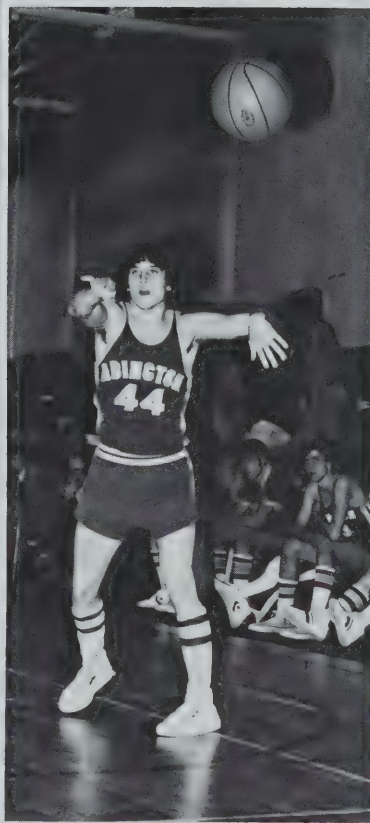

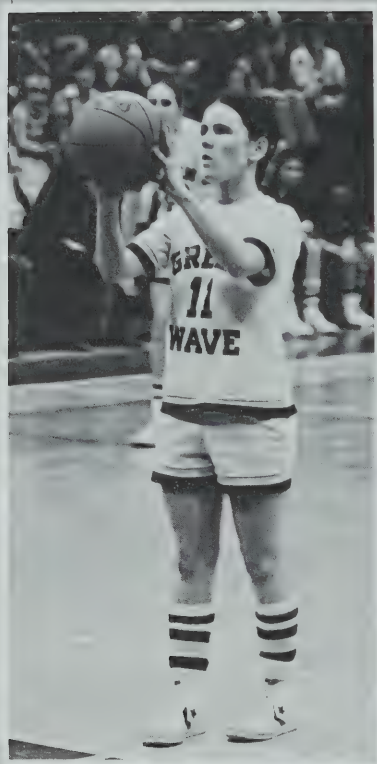

Boys' Basketball

The Boys' Basketball team possessed a rather inexperienced and young team this year. But their intensity and performance during the season were of the finest kind. Co-Captain Jay McGowan led the team along with other seasoned players such as Rich Delaney and Joe McSharry. Tom Maguire and Tom Burke showed some good talent and excellent effort. Coach Mayhew is very optimistic for the future; the components of an outstanding team are there, they just have to be tuned right.

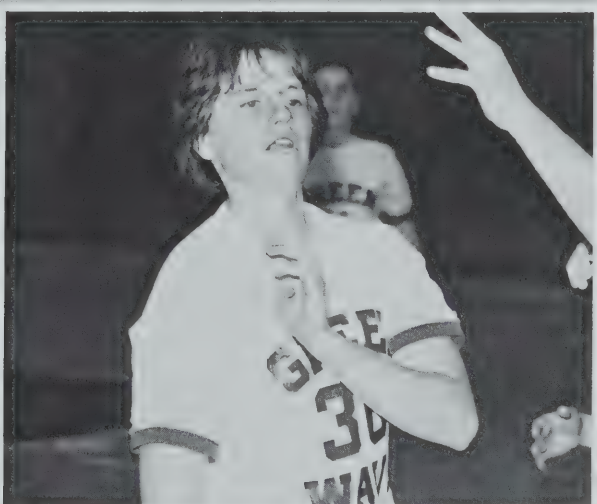

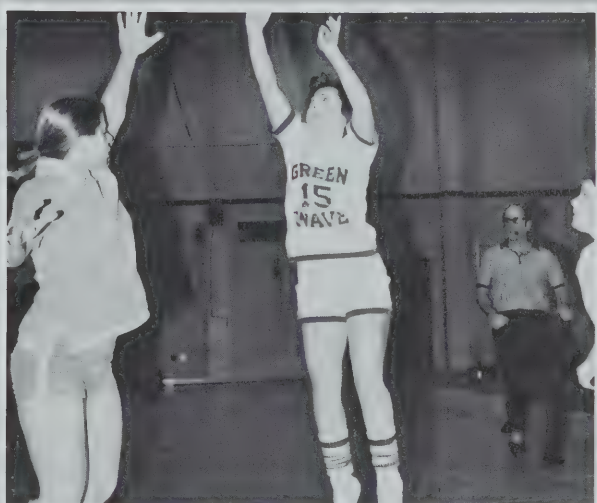

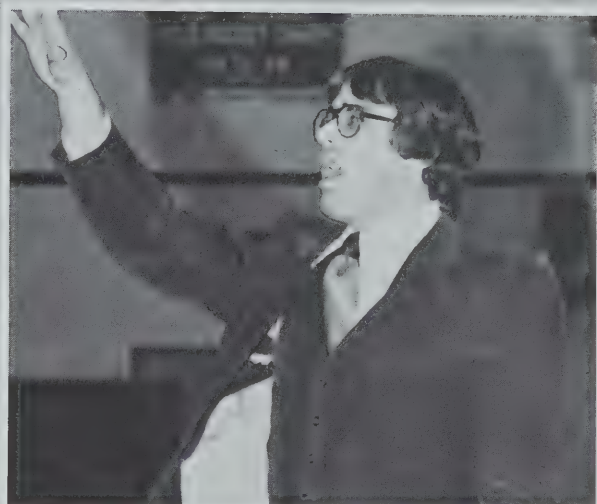

Girls' Basketball

The Girls' Basketball team continued to show everyone their quality style of play. They started their season by breaking the long winning streak of Westwood High. At press time, the girls were still undefeated after fifteen games and the prospects of success in the state tourney looked optimistic. Team effort and a relatively balanced scoring attack paced the team throughout the season. Coach Kelly lauded the performances of Sharon Donovan, Kim Doughty, Patrice Fay, and Dot Chartier.

Hockey

The Green Wave Hockey team, loaded with youth and talent, completed another commendable season. Seniors Kevin Hall, Mike Petersen, Paul Funder, and Shawn Murray contributed to the bulk of the scoring. There were many excellent individual displays of hockey by several different players. Many of their games could have gone either way. Congratulations are in order to Coach McMann for a job well done.

Baseball

The Greenwave Baseball Team will be counting on returning let-termen to lead them to a successful season. Jay McGowan, Kevin Hall, and Tom Forti will have to pick up most of the slack left by graduating seniors. The team however, has high aspirations for a winning season.

Cross Country

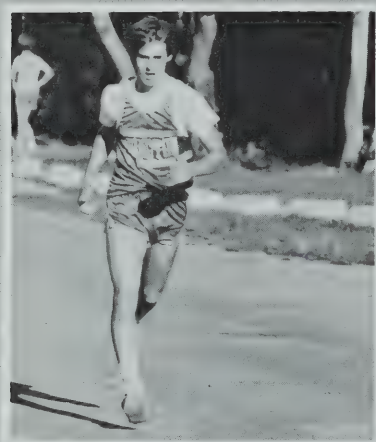

This year's Cross Country Teams both experienced some success one way or the other. The Girls Team ran its way to first place in the South Shore League led by Vicki Finlayson, Margaret Cogdell, and Tricia McKenna. The Boys Team broke a long losing streak by capturing a few of their meets. Mark Anderson, Mike Peterson, Doug Wight, Brian Jaegar, and Captain Paul Funder paced the Boys Team.

Boys Track

The Boys Track Team experienced a rebuilding year but shows potential for the future. The team will have a new coach who will try to put some spark into the team. Underclassmen will make up a big part of the team and will return next season with valuable experience.

Girls Track

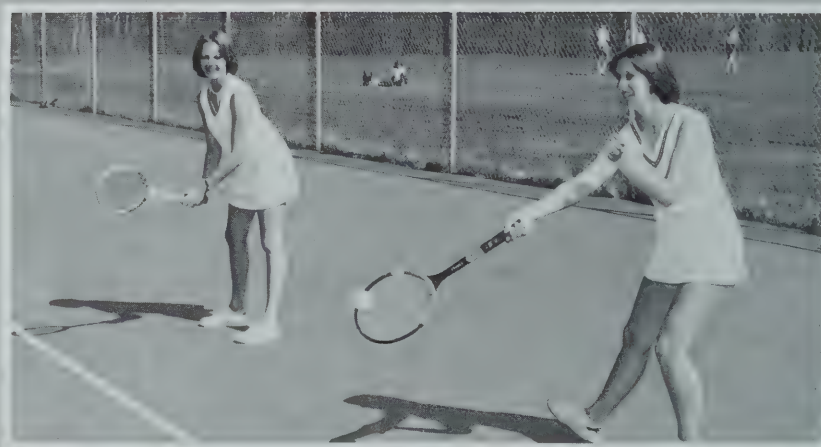

The Girls Track Team has proven itself to be one of the most successful teams ever in Abington High School. The team has a winning streak of 25 straight meets in the South Shore League and hopes to increase that this year. The team is led by co-captains Ruth Lonsdale, Margaret Cogdell, and Donna Leach and is coached by Mr. Hoar.

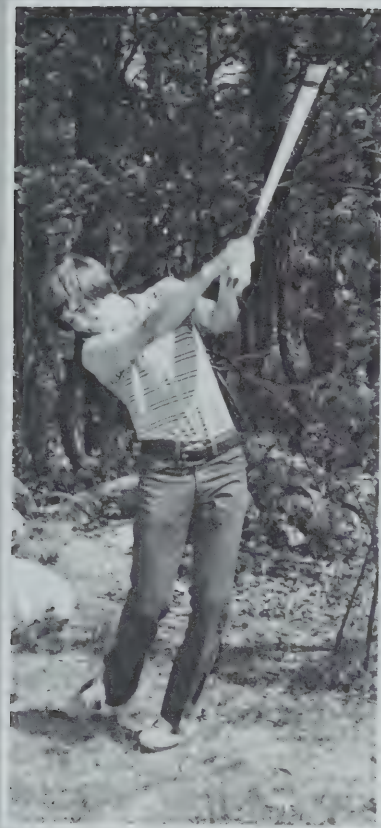

Boys And Girls Tennis

The Abington Tennis teams will be counting on the play of underclassmen to carry them to successful seasons. In a sense, the teams are having rebuilding years but hope to surprise a few teams with hard play and hustle. Fortunately the girls will have Martha Ware, Leslie Schmidt, and Elaine Stankiewicz back to lead them through the season.

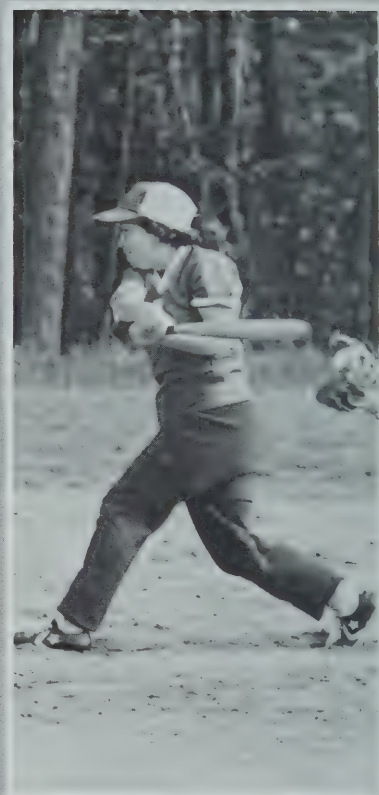

Golf

The Greenwave Golf Team swung its way to another winning season. Coach Corcoran grouped together a well balanced team led by his sons Mark and Michael. Bob Gibson and Brian Jaegar also supplied valuable performances during the season.

Softball

The Girls Softball team has given a repeat performance by completing another winning season. Kim Doughty and Sharon Donovan showed the team the way by putting forth exemplary performances in several games. Kathy Carnes, Donna Dorr, Patti Comeau, and Patrice Fay were also instrumental in the team's success.

I hope the club doesn't hit anyone

Do you think he's telling the truth

Batman to the rescue!

I hope she's not looking at me

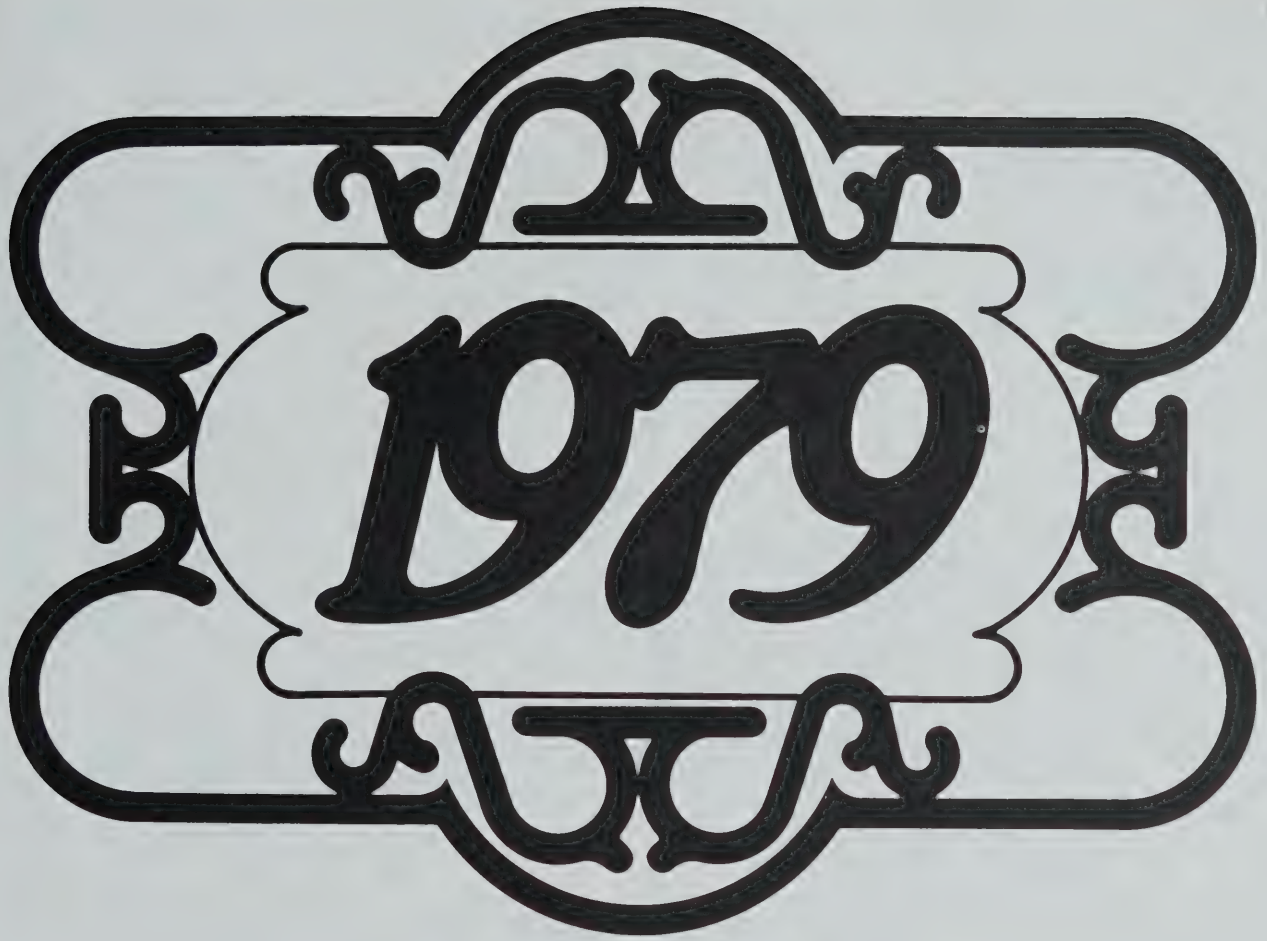

I better watch it, these things are dangerous

I think I see the finish line

She was beautiful with plenty of love to give,
Living free and easy on her own.
Her smile could change dark nights into shining
days.

Now God has the privilege of her thoughtful,
carefree ways.
But the fun, the laughter, and the joy
Always will be a part of our precious memories.
